

The Power of Agreement

It is a known fact that when we fail to agree with God and one another power is drained from our lives and our relationship with God.

Disagreement ALWAYS fosters powerlessness, but when we walk in agreement with God and one another there will be power in all our relationships.

We see this principle operating in our personal relationship with the Lord, in our churches, in our government, in the market place, and in our marriages and families.

In all of these areas and others, when we do not agree with God and the principles of His Word; first, there will be little or no agreement with one another and second a real lack of power in our lives.

In James 1:7,8 we read "For let not that man expect that he will receive anything from the Lord, being a doubleminded man, unstable in all his ways.

One who is doubleminded is one who fails to agree with God and the result is an unstable, weak walk.

What can happen when we walk in AGREEMENT with God?

1. In Matthew 18:19 it is promised that "If two of you on earth agree about anything you ask for, it will be done for you by My Father in Heaven." What a promise of BLESSING for those who agree with God.

2. In Matthew 17:20 we are told that "If you have faith as small as a mustard seed, you can say to this mountain, 'move from here to there' and it will move. Nothing will be impossible for you." Truly there is unlimited POWER when we agree with God.

3. Amos 3:3 states "Do two walk together unless they have agreed to do so?" UNITY with God and one another can come only through agreement.

When we do walk in agreement with God, He is able to BLESS and bring POWER and UNITY into our lives, into our churches, into our government, into the market place, and into our marriages and families.

Let us all purpose to walk in agreement with God and His Word, so that we can reap the full benefit of His desire to BLESS, EMPOWER and UNIFY us to live fulfilled and productive lives for Him and His glory.
